Story

Roger Smith played for Maidenhead 1st team for 15 years starting in the early 1990's. He was an integral part of a successful team, was fit as a butcher's dog, a strong & uncompromising player on the pitch who gave no less than 100% each game. After the game he was one of the lads, loved a beer and a joke. More often than not at his own expense.

Roger has been fighting MND since April 2021, supported with resilience and good humour by his wife Sophie and son Barnaby, who is 9, with resilience and good humour.
